Level II: Traditional Quechua Ceremonial Language and Form

Dear Friends and Ayllumates,

Many roads lead to our soul's unfolding fulfillment. The 9 Great Rites are energetic transmissions that have provided many with a way to engage this journey consciously and with intention. Level II allows us to enter into the vibration of ancient language powerful form.

Whether you have received the Rites through your shamanic education, through the Munay-Ki, or are considering receiving them, this class will offer a depth to your journey. Likewise, if you are offering Rites to others, or wanting to start, this is the perfect class for you.

- Learn the Call to Spirit, in Quechua
- Receive the 9 Great Rites
- Learn how to give these Rites to others, in their traditional Peruvian form
- Learn the Ceremonial Quechua language

Kinlen's CD "the Journeys of the Great Rites" will be available.

Wake and Kinlen have taught over 25 classes in the Rites, both in the traditional form, and the Munay-Ki.

"Being in Sacred Space and reaching for these rites time and again, for ourselves and others, has deepened our experience and understanding of each Rite. We will share what we have received, and hope to hear what you have learned as well." — Kinlen

"I invite you to magical Sedona! Come step outside of ordinary time and experience this deeply meaningful, soul affirming work, all in the sacred space of the Sedona landscape." — Jackie
