Are you a "Seeker," called to bring consciousness to your journey of enlightenment?

Dear Friends and Aillumates,

Are you looking for the pathway to take the next leap on your journey? Together in Malibu, we will be experiencing and learning the embodiment of the Great Rites: Earthkeeper, Starkeeper, and Creator.

While we are always on a personal journey of growth, the work at this level has global impact. It is joyful, co-creative, and spacious. You will share in a life affirming Shamanic Retreat, and receive abundant gifts to take home to your clients and family.

We will work at the historic Wright Ranch, where Frank Lloyd Wright and his grandson combined efforts to create this magnificent space, perched like an Eagle on the edge of the Pacific Ocean; with its Medicine Wheel, Labyrinth, and ponds. Take a look at www.wrighttranchmalibu.com

Bring your heart's yearning, and your growing artistry. Participate in co-creative ceremony through journey work, Kerri's incredible despachos, and Fires; anchoring the Earthkeeper, Starkeeper and Creator ever more consciously in your energy field and life.

With much love and blessings,

Wake, Kinlen, and Kerri
