

SACRED PATHWAYS and DIVINE WITHIN present  
Don Francisco Chura Flores, Q'ero Shaman from Peru

# A RETURN TO JOY

*Gifts of Our Indigenous Soul*

We are delighted to have Don Francisco back with us to continue our work with the medicine traditions of Peru's high mountain shaman. For the past 20 years, Don Francisco has been encouraging the growth of others by energizing our luminous fields, calling in alignment of our heart, mind, and way in the world, and deepening our personal medicine through shamanic tools. It has been his life's purpose to share the gifts of the Andes with the world, and his mastery has been in service of this vision on several continents.

We invite you into the circle with Don Francisco, through shamanic trainings, community ceremony as well as individual divination readings and energy sessions (known as despacho).
